はじめまして or こんにちは. 大久しぶりです 海宝です 斗です. 今回は2冊目のハリポタ本です. まだまだ不慣れですが楽しく描けました。今回のこの本のタイトルが「子供世界」なのに何故か大人ばかりでこんなことだったら「オトセ」と適当にしておけばよかったです。スネイプ先生にはたってはちゃんと描けるか心配でしたが実際描いてみたらかなり楽しくおどろでした 4巻のゴブレット読んだせいかシリウスとのかけあいが大好きでこの二人の学生時代とか本当は描きたかったのですがそれはまた次回のお楽しみということでそれではしばしおつきあいくださいませ"

Severus, Sirius. Since you're both on the same side,
why don't the two of you shake hands?
Oh no, they're back in attack mode again...!

ah, right ...
Sirius, I want you to leave. I've made plans to put you under the protection of that old companion of yours...

It'll be good to be able to spend time with an old friend again ...

You've always made me laugh... you two have a gift that makes everyone happy ...
I want you to use this to help spread that gift of laughter ...

That's not what I meant either!

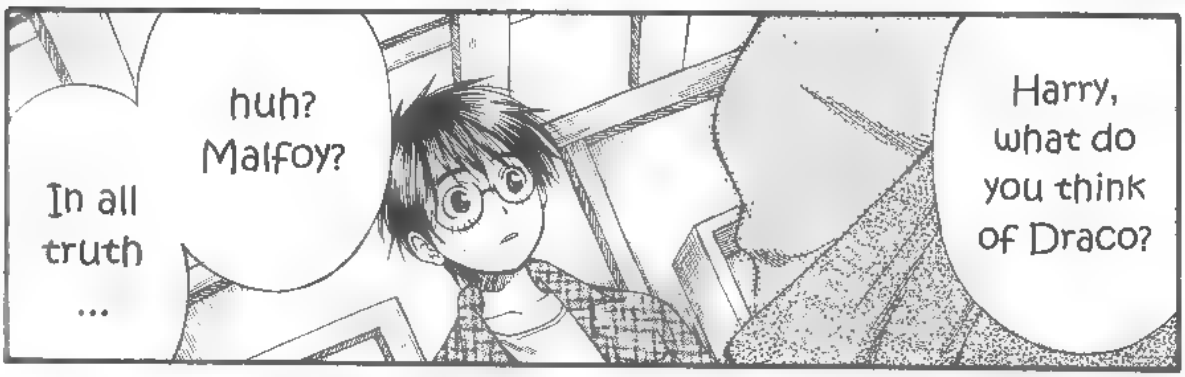
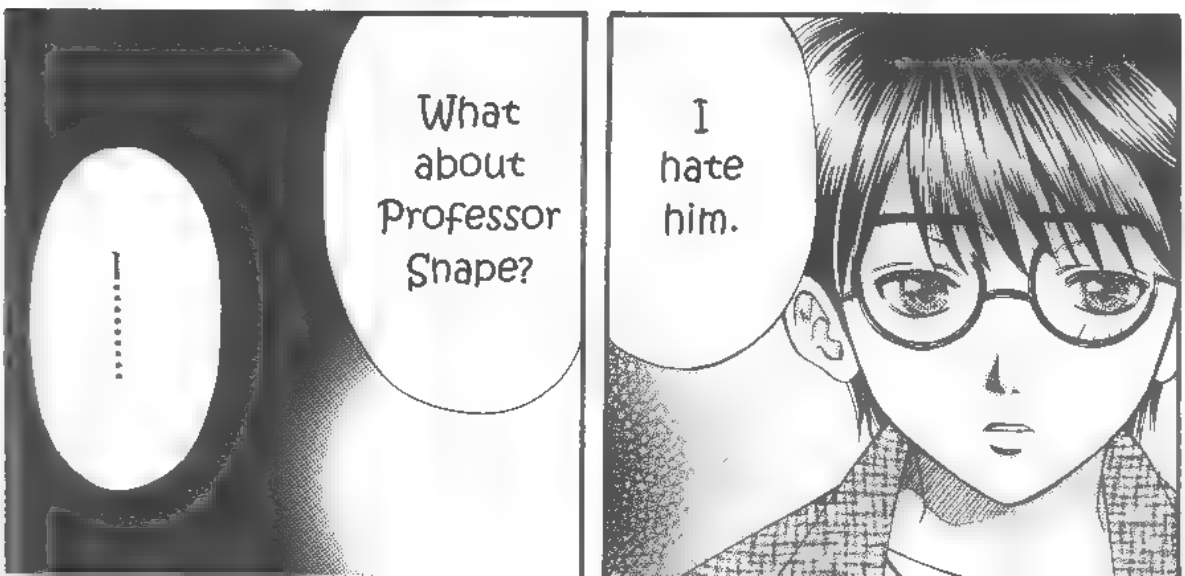
Professor Lupin...?
I.....
Professor, I've heard that back when they were in school, Sirius and my father were best friends...
I was hoping maybe you could tell me a story about them...



In all truth ...
huh? Malfoy?
Harry, what do you think of Draco?



I.....
What about Professor Snape?
I hate him.

What does this have to do with my father?
um... Pro-fessor?
That is the question now, isn't it? Well then, let me start the story...
It took place well over a decade ago...
but it's just as relevant now as it was then.

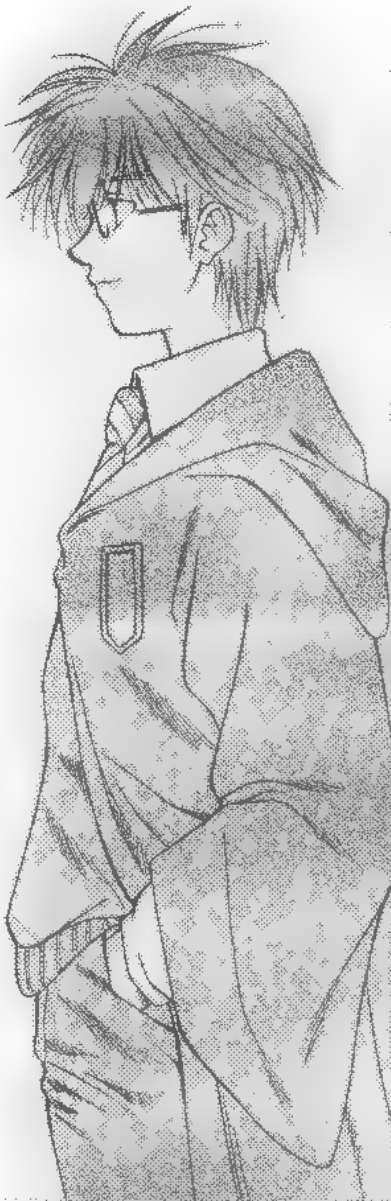
When he found out about my secret, he said,

"Don't worry about it."

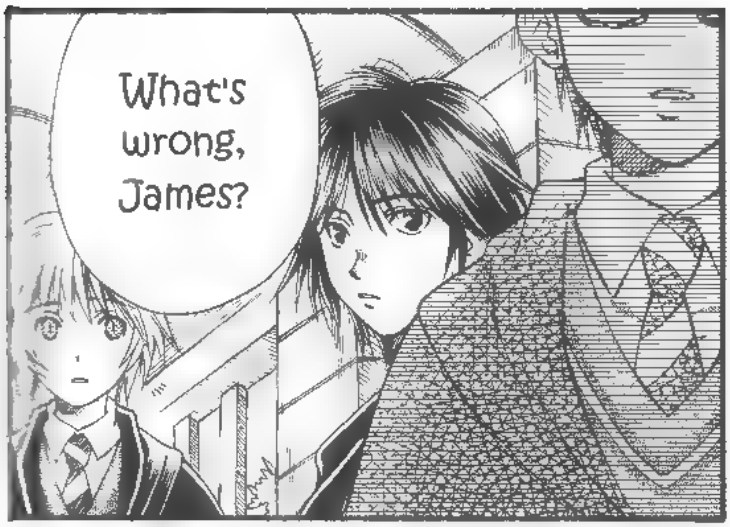
The words were simple, but I know it wasn't an easy thing to say.

After that, I didn't cry any more.

James was very popular. He was clever and skilled at Quidditch. All of his qualities aside though, he possessed a certain mysterious charm.

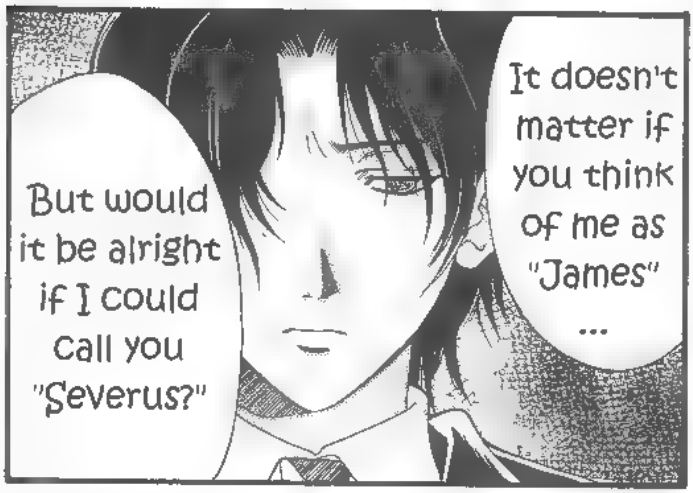


Then this happened...



Sorry.
Why don't you go wait for me in the common room?
It's Snape!
ah!
We'd never gotten along with the Slytherins ...
In one way or another, Severus always seemed to earn James's hatred.
I can't believe that James!
Why the Hell he'd want to talk to that guy is beyond me!
Yes, I suppose.
In all honesty, I agreed with James's opinion of him.

What do you want, Potter?
Come to brag about getting a better score than me on the last test?
Or do you have some other pointless reason for being here?



Severus hated James as well, but the two of them had something special in common.

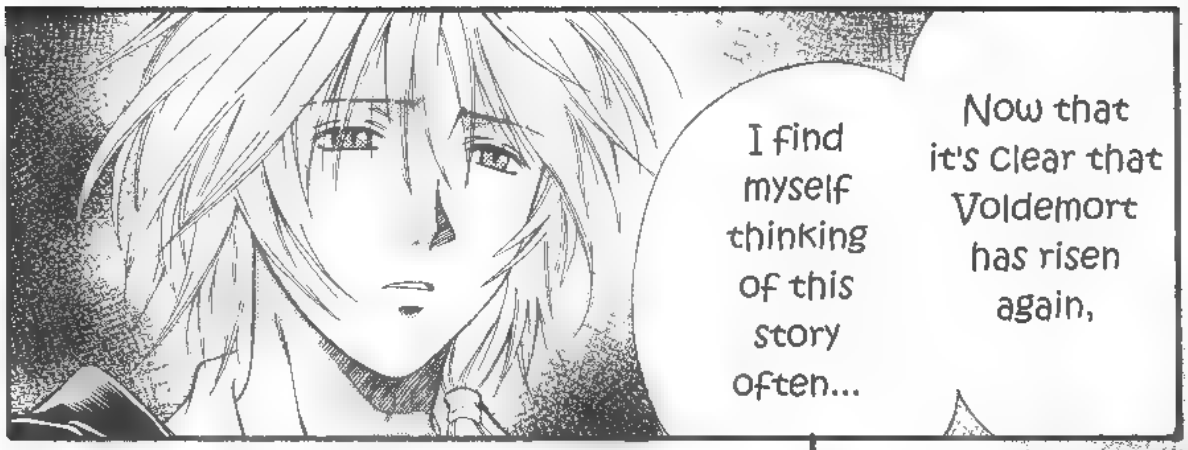
This time, it just happened to be James who started the conversation.

This is how it always was with them.

Sirius is upset. He doesn't like that you're treating Severus the same way you treat us. Like a friend.
That day, James and I sat down and talked.
This is what I think...
I get the feeling he doesn't understand.
That's like him.
...that Light and Dark should finally become one.

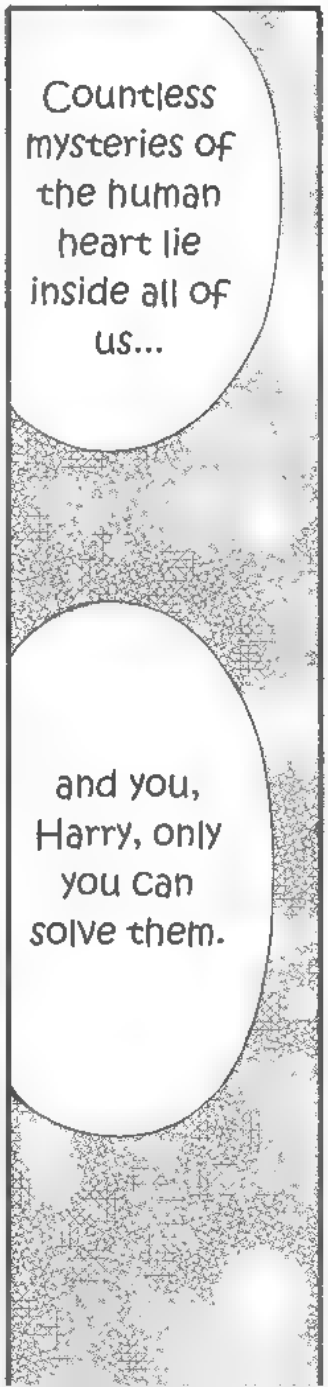
Light and Dark?
Yes. That was what he truly wanted ...
to bind the Wizarding World together and achieve true peace.
James really did want to become friends with Severus.
That way, he could make everyone realize the true danger of Voldemort.
On that day ...
when I thought James and Peter had been killed by Sirius...
my own strength left me entirely.

Others would not have known, but I, with the senses of a werewolf, recognized him.
After the funeral, when everyone was leaving, Severus arrived.
I saw him there that day...
He stood alone in front of the grave, his shoulders shaking, and he cried.
Professor Snape...
That's right, Harry. Human beings, especially adults, are complicated creatures.
As you can see, even the people we truly hate are not entirely evil.



Now that it's clear that Voldemort has risen again,
I find myself thinking of this story often...

For Light and Dark to become one...



Countless mysteries of the human heart lie inside all of us...
and you, Harry, only you can solve them.

With that said, I must go. The carriage is waiting.
I may not be able to be here to watch over you, but I will pray for you from afar.

If you ever lose hope, just think of what I've told you...
Right inside of here rest your father, your mother, and countless others who wish you the greatest luck.
It'll be fine. You're his son.
You may feel helpless now, but in time, you'll understand.
It's no use.
Things will end up just like they did for my father...
Everyone ...
is in here...

Professor Lupin laughed...

I may only be 13, but I've already left hopelessness behind me...

今回もなぜかルーセと先生たくさんになってしまいましたが自分的にはもっとビーストな先生を描きたかったので消化不良です(オイ) そして今回ジェームズ描いてみて思ったんですけど、愛でたいw そして今最も描きたいのがジル×ジェームズだったりします。精神的にはもちろんジェームズの勝ちなんですけど今だこっそり出てたら笑って下さい。

それから次回はもっとお子様たちをたくさん描きたいビル父さんにハカンジなのでこれも描きたい。それからハートマイオニー!! あと時間この分じゃ年賀状ダッシュでイタって まいります。ラビくんにドキドキして CMのドビーにちがった意味でドキドキしております ww これ ww

それでは3年もまたよろしくお願いいたします

2007年が皆様にとって素晴らしい1年になりますようお祈り ♥
